

ELEVATING EXPECTATIONS

Taking life insurance to the next level

Forget what you know about life insurance. Great Western Insurance Company (GWIC®) is taking life insurance to the next level. We've got you covered, no matter your health situation.

Policies with you in mind

Even if you have never had life insurance, left your employer's group policy behind when you retired, or haven't been able to qualify for a policy in the past, GWIC has a policy for your situation.

You're covered no matter what

If you're between the ages of 40 and 80¹, regardless of your health, you will not be turned down. You can receive up to \$25,000 in financial protection with no medical exam.

Rates designed around you

Your health can positively affect your premium — the better your health, the better your rates.

Value that grows

Depending on your plan, it may build cash value over time that is tax deferred, and you can borrow against it.

Leave something behind

If you've heard the average loved one leaves their family with \$62,000² of debt when they pass, you know you can't rely on Social Security's lump sum \$255 payment³ to cover your final expenses. A GWIC policy can help relieve your loved ones' financial burdens and give you peace of mind knowing your family will be taken care of when you're gone.

Which plan is yours?

■ The **Great Assurance® plan** is an immediate benefit, first-day coverage plan for those in good health. It has two riders — Accelerated Death benefit (included at no extra cost) and Accidental Death benefit.

■ The **Graded Benefit plan** is for those who have several health conditions. It pays out the benefit according to how long you've had the policy. It pays 30% of the face amount within Year 1, 70% within Year 2, and 100% at Year 3 and above if the death is not accidental. The plan pays the full face amount if the death is accidental.

■ The **Guaranteed Assurance plan** is a guaranteed issue plan that requires no health screening. If your health limits you from qualifying from other plans, you can be covered with a GWIC policy.

The **Child/Grandchild Protection rider** is optional for only \$1 a month and can be added to any of the three plans. Its one-time benefit pays \$2,500 on the first death of a dependent child or grandchild.
